In addition to the quick cash assets the Selectmen have:

Purchased new road equipment	\$300 00

Purchased a gravel bank	300 00
-------------------------	--------

Constructed a new cement bridge	450 00
---------------------------------	--------

Expended on highways in excess of the appropriation	782 70
---	--------

for which no appropriation was made.

The appropriation for town charges was reduced \$1,000, which left the Selectmen a reduced working capital.

The state and county taxes were \$1,113.71 higher than last year.

The school appropriation was \$1,300.00 higher for which it was necessary to increase the tax rate 15 cents per \$100. (The school now receives about one third the town tax).

It is a source of gratification to the Selectmen to be able to reduce the charges to charities nearly \$1,000.00 without apparent discomfiture to those in need of public provision.

Respectfully submitted,

J. H. CALLAHAN,

EDWARD J. McKENZIE,

Selectmen of Franconia.
